

NASSC PLAYER PORTAL

A SELF-SERVICE MATCH-MAKER FOR TEAMS & PLAYERS

While NASSC does not take individual player registrations we do want to help all fans find opportunity to play the great game on the sand and help teams needing to fill rosters .

NASSC Player Portal, formerly NASSC Connect, is the e-board set up for teams and players eager to take to the sand to find one another.

HOW TEAMS PARTICIPATE:

- Perhaps the most important part of making Player Portal successful is for teams to check the bulletin as the event nears.
 - Have room on your Roster? Consider accepting a seeking player to join your team on the sand. This is a win-win for teams and players.
 - Short on players? Register in the Portal and post your needs.

HOW PLAYERS PARTICIPATE:

- Want to play but you are not already part of a team? Register in the Portal and post your interest.

REGISTER TO POST:

- From our website, register for [Player Portal](#) and click on any age group category, and then click [Register](#) (or sign in if you've used the service before)
- Approval generally takes 24 hours to receive, so keep checking back but, in the meantime, you can start reading other posts to find the best match.
- Forgot your password? Use [Forgot?](#) to request a new password
